ENGINEER'S DEGREES

EURECOM delivers a State Recognized 3 years cycle Engineering degree, accredited by the CTI (official French accreditation body of engineering studies).

Our engineering degree is open to candidates with the equivalent of a 3-year Bachelor's degree in a relevant field.

A new Engineering Degree in Digital Science

- For **thirty years**, EURECOM has been training engineering students from partner schools and universities: Télécom Paris, IMT Atlantique, Télécom SudParis and international universities.
- From September 2022, EURECOM is accredited by **CTI** (French accreditation Board for Engineering Schools) for a new Engineering Degree (Master of Science)
- Courses are taught in **English** by international teachers

Strong links with Industry

Putting companies at the heart of engineering training is a strategic axis chosen by EURECOM since its creation.

- EURECOM is located in **Sophia Antipolis**, the largest technology park in Europe
 - 23 000 companies
 - 36 300 jobs
 - 5 000 students
 - 4 500 researchers
 - 1 000 jobs created per year

ACCREDITATIONS:

The full title of the degree in French is *Titre d'ingénieur*.

EURECOM's "Titres d'ingénieur" / "Engineering degrees" are **fully recognized by the French State** as they are accredited by the **CTI (Commission des Titres d'Ingénieur**, Official French Agency for Accreditation of Engineering Education).

DURATION:

Engineering studies last three years:

REQUIRED DOCUMENTS

ALL THE APPLICANTS ARE REQUIRED TO UPLOAD THE FOLLOWING DOCUMENTS

You will have to upload scanned copies of the following documents (up to 500 KB each, we strongly advise the use of PDF documents).

- **COPY OF YOUR PASSPORT OR IDENTIFICATION DOCUMENT**
- **CV**
- **MOTIVATION LETTER / STATEMENT OF PURPOSES (2 pages max)**

The motivation letter should specify your current studies or position, your field of interest, why you have chosen this particular study program at EURECOM and what would be your professional projects after graduating (one or two pages maximum).

- **TWO LETTERS OF RECOMMENDATION**

You are required to provide two letters of recommendation, **at least one letter should be written by a professor who is well acquainted with your academic work**. The second letter can be written by an industrial manager. The letter should be written on a letterhead of university/company and mention the following information: your name, the degree for which you are applying, how they know you, your academic performance...

If the letter is to be kept confidential, it can be directly sent by the referee by email to: admission@eurecom.fr. If so, please upload in the application platform a Word document with the following information: Name and email of the referee and approximate sending date.

- **CERTIFIED COPIES OF TRANSCRIPTS and DEGREE CERTIFICATES**

All courses and grades must be included in the transcripts. A certified copy means that each document should be stamped and signed by the issuing institution to prove that it is similar to the original. The contact data (name, address) of the certifying officers must be indicated so that our admission staff can contact them if necessary. The copies can be certified by public notaries or French embassies following the same rules (stamp and signature). You must also submit a certified copy of your documents in the original language. If your documents are not in French or English, you must also provide a certified translation (by a public notary or French embassy).

You can apply even if you are currently finishing your studies and do not have yet all the transcripts or the final degree certificate. You will need to provide the missing documents as soon as they are available.
