APPLICATION TO

A Master’s degree taught at EURECOM

OUTLINE

1. APPLICATION DEADLINES: ............................................................................................ 2

2. APPLICATION PROCESS ................................................................................................. 3

3. REQUIRED DOCUMENTS ............................................................................................... 4
EURECOM offers 4 master of science degrees totally taught in English in:

- Mobile Communications
- Communications and Computer Security
- Data Sciences and Engineering
- Multimedia Information Technologies

The whole program lasts two years:

- A 3-weeks intensive French language program with cultural visits in September for non-French speakers
- 3 academic semesters (September/February. February/June. September/February)
- A paid 6-month internship in a company

The degree is nationally accredited by the French Ministry of Higher Education and Research.

The 2016-2018 intake will start on September 5th 2016* with the French intensive program.

The official start of the academic year will start on September 19th 2016*.

**1. APPLICATION DEADLINES**

The Admission Committee will organize several monthly admission sessions from November to June 2016 to assess applications. Please look at the dates below.

Please be aware that the sooner students apply, the easier it will be to help them prepare their stay in France, (more housing opportunities will be offered). Please also bear in mind scholarship deadlines.

2. APPLICATION PROCESS

STEP 1: Online registration (Be aware that EURECOM does not charge application fees)

- Fill the online form. Your CV is necessary to validate the online registration.
- Upload necessary application documents.
- You will have to upload scanned copies of the following documents (JPG, PNG or PDF files only, up to 500 KB each)

STEP 2: SELECTION AND ADMISSION

- EURECOM confirms that the application is complete and that it is will be assessed by the Admission Committee.
- The Admission Committee is made of professors involved in the program. The following criteria are assessed: reputation of the home university, student’s academic performance and ranking, relevance of the course content of the previous degree, letters of recommendation from referees).
- Candidates are informed by email of the Admission Committee’s decision within a month after the session deadline.
- They receive an email with a pre admission letter and a pre admission document to be signed and sent back to EURECOM admission office

STEP 3: CONFIRMATION

- Admitted students have to confirm their admission by paying a 1000€ deposit. The deposit will be deducted from the overall tuition fees.
- Admitted Students are required to send by post a hard copy of the following documents:
  - Certified copy of the transcripts and degree’s certificates
  - Letters of recommendation (original if possible)

EURECOM’s postal address:

EURECOM
International Master Admissions
Campus SophiaTech
CS 50193
06904 Sophia Antipolis Cedex
FRANCE

STEP 4. FINAL REGISTRATION

- Upon reception of the deposit, the registration is confirmed.
- A final registration letter is sent by post to the applicant and our student affairs team contacts the students to help find accommodation.
3. REQUIRED DOCUMENTS

You will have to upload scanned copies of the following documents (JPG, PNG or PDF files only, up to 500 KB each):

- Copy of your passport or identification document
- CV
- Motivation letter / Statement of purposes

The motivation letter should specify your current studies or position, your field of interest, why you have chosen this particular Master’s program and what would be your professional projects after graduating (one or two pages maximum).

- Two letters of recommendation

You are required to provide two letters of recommendation, at least one letter should be written by a professor who is well acquainted with your academic work. The second letter can be written by an industrial manager. The letter should be written on a letterhead of university/company and mention the following information: your name, the degree for which you are applying, how they know you, your academic performance...

If the letter is to be kept confidential, it can be directly sent by the referee by email to: admission@eurecom.fr

- Certified copies of previous degrees’ certificates (Bachelor’s degree if already graduate)

Certified copies of all transcripts All courses taken and grades must be included. A certified copy means that each document should be stamped and signed by the issuing institution, or a notary public. The contact data (name, address) of the certifying officers must be indicated so that our admission staff can contact them if necessary. The copies can be certified by a public notary or French embassies following the same rules (stamp and signature). You must submit a copy of your documents in the original language. If your documents are in a language other than a French or English, you must also provide a certified translation (by a public notary or French embassy).

- Syllabus of the Bachelor’s program

You can print the course guide if available in English or French. Otherwise, you should provide 2/3 lines of description in English for each relevant technical courses on a separate document.

- Financial statement

Letter written and signed by the applicant or from her/his relatives describing how the applicant intends to pay the tuition fees and the living costs in France (the monthly costs of a student in France are estimated at 700€-800€).

- English language proficiency test document
- French language proficiency test document (if applicable)
- Any optional documents you deem relevant for your application
